

**FOR THE ATTENTION OF: CDT DEPARTMENT**

**Dear Sirs,**

As suppliers to schools against the Education & Library Board tenders we have traditionally at this time of year sent to you a copy of our Pricelist for Consumables. We have streamlined this year's edition & we hope you find this format easy to follow & covering all your requirements.

It covers up-to-date prices for sandpaper, glues, screws, nails, drills, safety equipment, steel wool, paint, paintbrushes, hacksaw blades & masking tapes. We include also a range of Antex soldering equipment, glue guns & sticks. We have also introduced a less expensive woodworking and impact adhesive by Strathbond Manufacturers in Scotland specifically for schools as an alternative to Evostik.

We would of course be willing to quote for any additional items not covered in this list including Modelling & Electronic Tools & accessories plus all Power Tool accessories & spares.

We do of course deliver. If we can be of assistance to you in any way please don't hesitate to contact the undersigned.

**Yours sincerely**

**JAMES ADAMS**
